HUSBAND, WIFE CHARGED IN CONNECTION WITH MULTIPLE ARMED-ROBBERIES THAT OCCURRED THROUGHOUT MULTNOMAH, CLACKAMAS COUNTY

Today, Multnomah County District Attorney Rod Underhill announced criminal charges were filed against a husband and wife who have been connected to a series of robberies that are alleged to have occurred in Portland, Gresham, Wood Village, and Happy Valley in Clackamas County.

Upon review of this case, the Multnomah County District Attorney's Office has charged Nigel Floyd, 38, with 21 counts of first-degree robbery and Stephanie Floyd, 39, with 19 counts of first-degree robbery. They are scheduled to make their first court appearances in Multnomah County Circuit Court before Judge David F. Rees on April 12, 2018 at 2:30 p.m. at the Multnomah County Justice Center, Courtroom Number 3.

According to court documents, detectives assigned to the Gresham Police Department and Portland Police Bureau developed information that Nigel Floyd committed more than 20 robberies using a large kitchen knife. It is alleged that the robberies started on January 20, 2018 and continued through April 11, 2018.

Additionally, it is alleged in court documents that detectives from the Gresham Police Department, Portland Police Bureau, the Multnomah County Sheriff's Office and the Clackamas County Sheriff's Office worked collaboratively and started conducting surveillance around local stores similar to the locations that had been previously robbed. The Multnomah County District Attorney's Office assisted law enforcement in preparing an arrest warrant, search warrant and court orders for GPS data and cell phone tower data.

In a probable cause affidavit filed, it is stated that on April 11, 2018, a law enforcement surveillance team observed Nigel Floyd and Stephanie Floyd in the 7800-block of Northeast Glisan Street. Both were associated with a white mini-van. According to court documents, law enforcement observed Nigel Floyd exit the mini-van and put on a mask. Shortly thereafter, it is alleged that Nigel Floyd robbed the business. Law enforcement watched as Nigel Floyd exited the business and got back into the mini-van.

According to court documents, Stephanie Floyd is alleged to have been the getaway driver in a majority of the robberies while her husband, Nigel Floyd, is the one who entered the businesses to actually commit the robberies.

According to court documents, law enforcement believe Nigel Floyd and Stephanie Floyd are responsible for the following robberies:
